Festive highlights

Dec 15 'Tis the season for all things Lee Mead!

Well he may have been an unhappy reindeer on BBC1's Casualty but Lee Mead is certainly packing in the 'Happy' of Happy Christmas this 2014, beginning with a stunning end of year Christmas Concert at the Garrick Theatre, in London's West End. (See amazing photos below.)

He's now pulling on his panto britches nightly to fill the role of Prince Charming (rather nicely ;) in Cinderella in Cardiff.

But whilst all this joviality is going on Lee has one thing very dear to his heart this Christmas- the charity he is patron of, 'Mushroom Theatre Co'.

MTC are moving into their new home on Dec 20th but have run out of much needed funds to complete the project and give the kids their new 'home from home'.

So if you are thinking of donating to a charity this Christmas then we'd love you to choose our Mushroom Kids moving in! The link to the Just Giving account is below and remember you can gift aid and they receive your donation directly and within the week - so you can make a difference instantly.

So cheer up a Reindeer and turn him back into Charming, and everyone at Meadaholics, MTC and Lee Mead himself will be smiling if we can help out our little Mushrooms this Christmas time - Thank You!

Dec 14 Lee Mead is Charming! Well, Prince Charming :) at the New Theatre, Cardiff

Lee Mead began his run as Prince Charming in the New Theatre-Cardiff panto production of Cinderella - and he is certainly our perfectly charming Prince, isn't he?

We'd also love to hear from you as and when you are able to attend what is sure to be a fun show.

We have started a ****SPOILER THREAD**** so you can feel free to say anything without spoiling it for someone else.

We would love to hear every little detail as some of us (*sob*) will not be able to be there. And all photos are welcome! x o

Dec 13 Casualty S29_E14 'Solomon's Song'

At last, a man in a loin cloth!

Unfortunately, it's the *wrong man* . . .

But Lofty is up to his usual save-the-patient tricks - and looking good in a rainstorm. :)

Nov 13 Lee Mead Spectacular in High Wycombe

Oh. My. Goodness. Was he ever spectacular - and then some!!!
Complemented by amazing performances from his special guests,
Amanda Henderson and Keith Jack, Lee Mead was on fire from start to finish . . .
(One member of Team LMAS practically melted in her chair during his performance
of 'Kiss' . . . and we're sure she was not the only one.)

Nov 09 CiN & Mushroom Theatre Company

This week is Children in Need, which is always a fun time of year.
Mushroom Theatre Company was not chosen
as one of their causes this year.

However we can still do our bit by sharing our CiN donation with MTC.
So if you are thinking about donating something, why not split it
50/50 with Lee's chosen charity?
