

HOW TO FIND THE WELLNESS CENTER & DEPT. OF COMPLEMENTARY AND ALTERNATIVE MEDICINE

We are located at the Mokichi Okada Association Wellness Center in the glassed ground floor unit right on the corner of Queen St. and South St. It is in the retail front of the Keola Lai Building at 600 Queen St. Suite C-2

Please be aware that not all the practitioners at this location are affiliated with the University of Hawaii Medical School. We are sharing space at the Mokichi Okada Association Wellness Center. Our health care providers names are listed herein.

Parking Parking can be found the ground floor of the Keola Lai Building retail area behind the MOA Wellness Center. Enter from South St. on the first driveway on the right just after crossing Queen St. going mauka. Our Center is right on the corner of Queen St. and South St. in the glassed corner retail space.

COMPLEMENTARY & ALTERNATIVE MEDICINE

Interest in Integrative Medicine, also known as Complementary and Alternative Medicine (CAM) is at an all time high. At the same time, people often wonder if the therapies they are receiving are legitimate. This is why you should consider coming to the CAM department at the University of Hawaii School of Medicine.

ABOUT OUR PRACTITIONERS

All of our health care providers are licensed and educated in multiple disciplines. You can choose from doctors who are trained in Internal Medicine to Pediatrics, to Ayurvedic Medicine to traditional Chinese medicine. You can make an appointment to see one of our practitioners by calling 692-0908.

HOLISTIC PEDIATRICS

Rosanne Harrigan, EdD, CPNP, APRN-Rx is Chair of the department and former dean of the school of nursing. She is a pediatric nurse practitioner and practices energy medicine and Holistic Pediatrics.

Noelani Apau-Ludlum, MD is board certified in Pediatrics and practices

Holistic Pediatrics. She is a member of the American Academy of Pediatrics.

Dr. Harrigan, along with Dr. Shintani published findings indicating that Hawaii is the Complementary and Alternative Medicine Capital of the U.S. in terms of utilization. Hawaii Med J, 2006.

TRADITIONAL CHINESE MEDICINE

Elizabeth Chen-Christenson, MD, L.Ac, ABHM, FACP, FAAMA is board certified in Family Practice, Pathology and Holistic medicine. She is also a licensed acupuncturist and certified in harp therapy and is an accomplished music therapist.

Dr. Mian Long, L.Ac. is nationally certified in China in conventional medicine and Chinese medicine. She is licensed in acupuncture. She has extensive knowledge of and conducted research with traditional Chinese herbs.

AYURVEDIC MEDICINE

Tamar Hoffmann, MD, is board certified in Internal Medicine and practices holistic medicine. She is credentialed in Ayurvedic Medicine – the traditional healing arts of India.

LIFESTYLE MEDICINE

Terry Shintani, MD, MPH, is the Associate Chair of the department and in charge of the clinical practice. He is a Harvard-trained nutritionist and board certified in Preventive Medicine. He is a member of the National Advisory Board of the American College of Lifestyle Medicine.

Amy Brown, PhD, RD is an accomplished researcher in the field of nutrition therapy and herbal medicine. She is an author of a nutrition textbook used by numerous universities, and a member of the American Dietetic Association.

FEES AND INSURANCE

We accept most insurance coverage for ordinary medical services. However, due to our wide range of services, many of the services are not covered by insurance. As with other integrative and complementary health practices, there may be fees for services outside the scope of insurance coverage. Feel free to call to ask about these services as they vary from physician to physician.
