## Tropi-Cal Motorhomes - Richly Featured, Exceptionally Affordable

**A**re you eager to travel in grand style? Tropi-Cal wide-body motorhomes - our finest gas models are ready when you are! For more than three decades, National RV has catered to customers with innovative designs, extensive features and outstanding value. Fact is, each Tropi-Cal comes with such a wealth of standard equipment that the option list is remarkably short. You'll be pleasantly surprised at all your RV investment can provide.

From the moment you experience Tropi-Cal's stylish exteriors, you'll know this fine motorhome stands apart. Inside, spacious and elegant accommodations confirm you've made an excellent choice. We've incorporated richly appointed master suites, inviting living rooms, gourmet galleys, posh baths, and generous storage space. Quality and attention to detail are evident throughout, exemplified by the handsome walnut interiors used exclusively in these top-of-the-line motorhomes.

*Each slide-out room incorporates an exceptionally strong engineered steel framework and a trouble-free electric glide system. Extensive weather sealing and insulation are used throughout.*

## Luxuriously Appointed Interiors

**W**hen you're traveling, every little convenience becomes very important. That's why these spacious slide-out Tropi-Cals include sound-dampening fabric ceilings with recessed fluorescent lights, plus day/night shades and elegant valances. Our roomy interiors gain an extra measure of openness from large windows and decorative mirrors. There's plenty of comfortable seating, and for your entertainment, we've provided a 19" color TV with remote control.

To deliver complete climate control, an Intellitec electronic Energy Management System (EMS) allows the use of both air conditioning units on 30 amp service. Throughout the coach, plenty of ducts provide even distribution of air conditioning and heat.

Available on selected models, Tropi-Cal's special hutch with mirrored back and Corian top provides extra counter space for frequently used items, as well as the convenience of additional storage right in the galley area. Be sure to check the fit and finish on our beautiful walnut raised panel cabinetry!

### Gourmet Galleys

Designed to delight any cook and every diner, Tropi-Cal galleys offer the practical beauty of a Corian counter with flush-mount stove cover. You can also select a fold-down Corian counter top extension (optional) to gain additional counter space. The numerous standard features include a convection microwave oven, coffee maker, and water filter, plus an abundance of cupboards and drawers. Choice of refrigerators includes an 8 cubic foot double door with slide-out pantry or an optional 10 cubic foot side-by-side with ice maker.

### Hide-A-Bed Fold-Down Sofa

When you need additional sleeping space for friends and family, you can instantly convert the sofa into a comfortable bed.

### Comfortable Cockpit Area

Gain a commanding view of the road through Tropi-Cal's panoramic windshield. Rosen aviation style sun visors and power heated mirrors ensure maximum visibility. The comfortable reclining seat makes driving a pleasure.

### Efficient Workstation

The passenger seat doubles as your office chair, providing a comfortable place to connect your cell phone or laptop. A convenient slide-out table with drawer inspires you to write to friends and relatives while on the road. A flip-up table serves both passenger seat and swivel rocker, then tucks away when it's no longer required.

Model 6350

## Plush Master Suites

**T**ropi-Cal's choice of master suites includes a head-to-rear queen bed model and a head-to-side queen bed version with a spacious mirrored wardrobe/closet extending the full width of the coach. Among the designer touches are color-coordinated bedspreads and shams with pillows, beveled glass mirrors, attractive lighting, and dramatic day/night shades. Tropi-Cal's roomy closets accommodate a large amount of clothing, while our night stands provide extensive drawer space. We've even built in extra storage under the bed.

### Garden Baths Choices

Whether you prefer a floor plan with glass enclosed sit-down garden tub/shower or our combination tub/shower, you're sure to enjoy Tropi-Cal's elegant bathroom appointments. A tinted skylight really opens up the room, while handsome goldtone fixtures and trim provide attractive accents. Standard equipment includes large sinks, quality porcelain toilet with spray attachment, and a wall-mounted hair drier.

# Quality Built, From Roof To Road

**T**ropi-Cal construction gets off to a solid start with its Ford or Chevrolet chassis. On top of that, National RV engineers utilize an all-steel subfloor construction for an enduring foundation. Incorporating a laminated steel framed floor, roof and walls, each Tropi-Cal is literally surrounded in steel. Even the exterior storage compartments benefit from steel framing.

High gloss gel-coat is used exclusively on the molded front and rear fiberglass caps and exterior walls. The underbelly is laminated, insulated, and undercoated for exceptional weather protection. A steel framed laminated and crowned rubber roof protects from above, and every coach is water-tested. Each Tropi-Cal is thoroughly insulated, and dual pane windows are available for extra comfort.

*The dump/fill station area is easy to access and use. It includes a water pressure gauge and regulator, black tank flush, and city water fill. Soap and towel dispensers are provided for your convenience.*

*24 gallon LPG tank is conveniently located for easy filling.*

*Massive storage compartments provide a safe, secure place to stow all manner of items, large and small.*

## Whenever You're On The Road, National RV Is On Call...

24-Hour Toll-Free Help Line By  
Coach Net Emergency Road Service

As an original Tropi-Cal owner, you can call toll-free to Coach Net, anytime, for expert advice on any problem you might have. (Good for one year from date of purchase. Non-transferable program can be extended for a nominal fee.)
