Dr. Wilfredo E. Cabral
Department of Education, NCR Region
Officer – in – Charge
Office of the Regional Director

Dear Dr Cabral,

Greetings from the bay!

This is our advocacy program on the awareness, proper care, and education for marine flora and fauna of our country. We provide venues for elementary and high school children to learn more about the diverse creatures under the sea, and most importantly we provide an avenue for them to understand their part in taking care of the marine life.

This is our invitation to visit Manila Ocean Park, as we highlight our Core Attraction: The Oceanarium that has a walk through underwater tunnel. We have a large collection of over 22,000 fish and invertebrates brought close for viewing for the Filipino family especially the school children. We are also the first to launch in the Philippines the Augmented Reality; it is the latest technology when it comes to virtual reality experience. Children will get a chance to interact with MOP very own signature animated Whale Shark, Philippine Eagle and MOP Animated Mermaid. We also have shows which are Sea Lion Show, All Star Bird Show and Symphony Evening Show, and other attractions such as Trails to Antarctica with Snow Village, Shark and Ray Encounters, Birds of Prey Kingdom, Fish Spa, Jellies Exhibit, World of Creepy Crawlies, Barnyard and Birdhouse and Neon Rides for the children to enjoy and appreciate, we also have our newest attraction, Supertoy Collection.

The Manila Ocean Park is a place where children are taught the priceless value and the diversity of the country's marine species. Likewise, they learn to understand the need of conserving them to benefit the future generations.

In this regard, we would like to request for an endorsement in your good office. We appreciate your continues support to Manila Ocean Park.

Thank you and be well.
